

Hotel Info

The wedding will be held at **Hotel Kohinoor Continental**. It is very close to the international airport (no more than 10 minutes even with traffic). The hotel offers complimentary airport pickup and dropoff for guests.

If you are interested in staying at the hotel, we have negotiated a special rate for our party which is Rs. 6600 per night (USD 125 approx). This includes breakfast for two people. This rate is for check-in on December 22 and check-out on December 24, 2012. However, if you wish to come in a couple of days earlier or stay on for a couple of days after, the hotel can extend your stay at the same rate. The check-in and check-out time is noon.

Please use the RSVP to tell us whether or not you are interested in staying at the hotel (we have included questions to that effect in the RSVP). We do recommend staying there at least for the duration of the wedding so you don't have to figure out transportation. Also, it will give us all a chance to hang out! The hotel has requested that we be the point of contact for them. So please do not contact the hotel directly as you would in the U.S. **We need to give them a final count of the rooms by August 15 so please RSVP before then.**

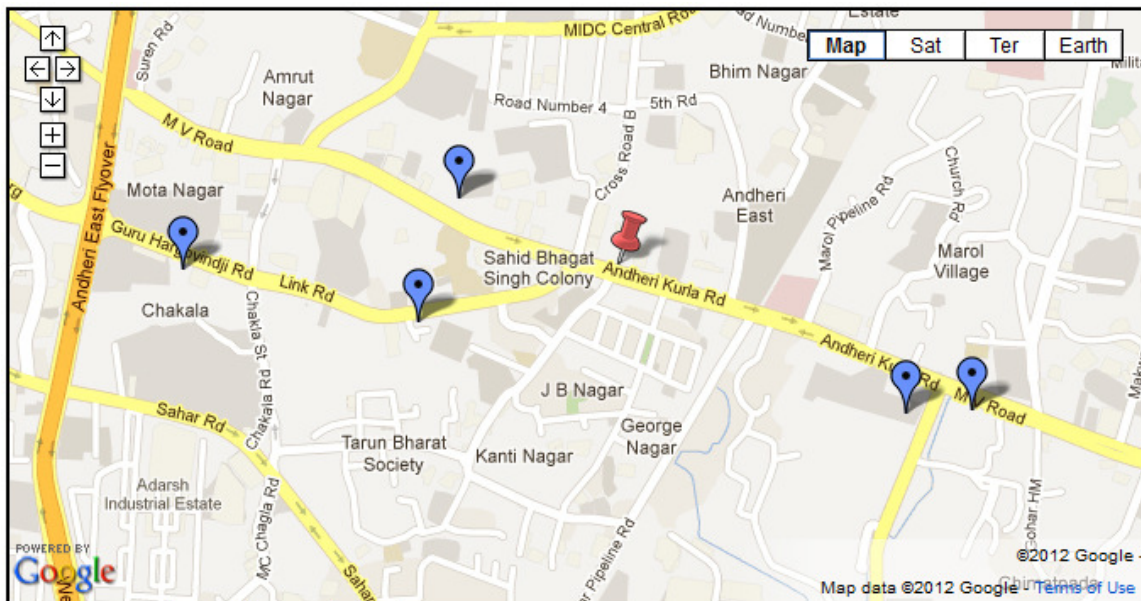

Here are the details for the hotel:

OTHER HOTELS IN THE AREA

Although our recommendation is to stay at the Kohinoor Continental, there are a number of other hotel options in the area. Below is a list we put together. If you decide to use one of these, please communicate with the hotel directly to make your own arrangements. We do not have a negotiated rate with any of these properties.

Courtyard by Marriott Mumbai International Airport

This is the closest 'other' hotel to the Kohinoor Continental and the only one from which you could possibly walk to the venue (after negotiating Mumbai traffic!)
